

Optima 56 (26/6) Staples Tin (3750)

Accessories

A 26/6 staple with slightly longer legs and sharper points that can penetrate thicker documents of up to 40 sheets when used with flat clinch technology staplers.

- Premium Staples come in units of 3,750 and are presented in a smart, aluminium tin with secure lid to ensure loose staples don't end up scattered around your desk drawer. In fact the embossed tin is so stylish that it will sit neatly on your desk top and you won't want to hide it away at all.
