Modular Series MP2500IX

Punches - Modular and Productive

Heavy-duty punch with Interchangeable dies. Features Three LED's indicate 'power on', 'correct die placement' and 'chip tray full warning' and ergonomic vertical punch throat. Punches up to 16,000 sheets an hour and is quiet enough to use in office environments.

Features & Benefits

- Open ended throat for punching odd-sized sheets
- Ergonomic vertical punch throat enhances productivity and prevents mispunches
- Three LED's indicate Power ON, correct die placement, and chip tray full warning
- Electric push-button or foot-pedal operation
- Extra-large drawer for paper chads
- Adjustable paper alignment guide
- Die sets change in just seconds for different punching patterns (purchase separately)
- Die sets lock securely in place without tools or levers

Interchangeable die sets

Choose the perfect binding style every time. Interchangeable die sets let you change punch patterns without changing machines. It's fast and easy. Dies are labeled for quick identification, slide easily in and out, and lock in place - no tools or levers required. Disengageable pins let you alter patterns and tailor them for smaller-sized sheets.
