

Make an impression with bound documents

## MultiBind 450E

### Multifunctional

CombBind and WireBind are all possible in this spectacular and robust electric office binding machine.

### Features & Benefits

- Dual punch pattern accommodates both comb and 3:1 wire
- Two-step paper punching for binding large size documents
- Adjustable margin depth (2-6 mm) for comb punching - Ideal for thicker documents that requires wider margin for easy page turning and more secure binding
- Easy access clippings tray (at the side of the machine)
- Foot pedal included for optional hands free punching
- Robust metal construction
